🐦 About Me

I am a passionate **Computer Science student** from Morocco with a deep interest in **Artificial Intelligence** and **Data Science**. I love building interactive dashboards, solving complex ML problems, and crafting seamless full-stack applications.
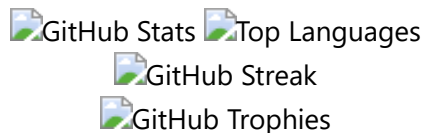

- 🏆 **Currently Learning:** Advanced Deep Learning (PyTorch/TensorFlow) & Spanish (A1-A2)
- 👯 **Looking to Collaborate:** AI research, predictive modeling, and applied Data Science projects
- 🤝 **Seeking Help With:** Scaling ML models and production-level deployment
- 💬 **Ask Me About:** Python, Streamlit, PostgreSQL, and CRM/Analytics tools
- ⚡ **Fun Fact:** I enjoy storytelling in fantasy worlds where logic meets imagination.
